Dear Mary Margaret,

While on a vacation trip September 8, I spoke with Mr. Charles E. Davis, a Rochester, New York undertaker, about the exhumation of                     (40-015). His rough cost estimate was reasonable, he raised no objection about the exhumation, and he seems quite interested in and sympathetic to our work. For his information I left with him an edited copy of the letter requesting a cost estimation which you sent to Hedges Memorial Chapel, dated January 13, 1976. (The date, funeral home address, the phrase "by your organization" in the first sentence, your name, and the distribution list were deleted.) On parting I told him you would be sending him a letter formally requesting a cost estimation, in the near future. Please send the letter to the attention of Mr. Charles E. Davis, at the Paul W. Harris Funeral Home, Inc., 570 Kings Highway South, Rochester, NY 14617.

You will be receiving a copy of a memo covering my inquiry to Mr. Davis, and another Rochester area undertaker.

Sincerely yours,

Robert A. Schlenker, Ph.D.
